****Dinner:** Each week we begin our youth fellowship with a meal. This is not possible without the support of our youth families. For 10 weeks we will share in the meal provided for the Sunday evening studies. This means the meal team will make the supper and the youth group will eat the meal they prepare. Youth are not individually charged for a meal each week. Instead, two families are randomly chosen to “pay for” our portion on the meal. So, the two families will make a donation toward the group meal and place it in the basket on the table or give it to me. There is no set amount. Basically, consider what the cost might have been to prepare a simple meal for the youth group (20-30 folks) and half it. Checks can be made to SPUMC with “Sunday night supper - youth” in the memo. During the other Sundays when there are no studies, our youth will still meet. At that time, the assigned families are asked to prepare a simple meal, together, to serve at UMYF. These two families will share in the purchasing, preparing, serving, and clean up that evening. Because we have several families in UMYF, each family is only responsible for one meal per semester. Having said all this, I would like to thank you in advance for the meals you will help provide for UMYF. You are awesome!!!
